

THE DIRECTORY OF OPEN ACCESS JOURNALS

Complete list of application questions

This is a document to supplement the application process. It includes a preview of DOAJ application questions. **We do not accept PDF applications.**

Please apply online at https://doaj.org/apply

The application form includes six (6) sections:

- 01 Open Access compliance
- 02 About
- 03 Copyright & licensing
- 04 Editorial
- 05 Business model
- 06 Best practice

Unless stated otherwise, all questions are required.

△ Open Access compliance

DOAJ only accepts fully open	access journals		See <u>DOAJ's definition of open access explained in full</u> .	
Open Access is the condition usage rights to others using a allowing for immediate free a download, copy, distribute, p them for indexing, pass them purpose.	in open license (Creative access to the work and pe rint, search, or link to the	Commons or equivalent) ermitting any user to read, e full texts of articles, crawl		
Does the journal adhere to DO	OAJ's definition of open a	access?		
Yes	No			
The journal website must display its open access statement. Where can we find this information?			Here is an example of a suitable Open Access statement that meets our criteria: This is an open access journal which means that all content is freely available without charge to the user or his/her institution. Users are allowed to read, download, copy, distribute, print, search, or link to the full texts of the articles, or use them for any othe	
Link to the journal's open access statement			alstribute, print, search, or link to the full texts of the articles, or use them for any othe lawful purpose, without asking prior permission from the publisher or the author. This is in accordance with the BOAI definition of open access.	
∠ About				
Journal title			The journal title must match what is displayed on the website and what is registered at the <u>ISSN Portal</u> .	
			For translated titles, you may add the translation as an alternative title.	
Alternative title (including tra	enslation of the title) (Opt	tional)		
Link to the journal's homepag	ge			
ISSN (print)			Must be a valid ISSN, fully registered and confirmed at the <u>ISSN Portal</u> .	
			The ISSN must match what is given on the journal website.	
ISSN (online)			Must be a valid ISSN, fully registered and confirmed at the <u>ISSN Portal</u> .	
			The ISSN must match what is given on the journal website.	
Up to 6 subject keywords in E	nglish		Only 6 keywords are allowed. Choose words that describe the subject matter of the	
			journal and not the journal's qualities. Keywords must be in English and separated by a comma.	
Languages in which the journ	al accepts manuscript			
	~			
— Publisher				
Publisher's name				

Publisher's country	•		The country where the publisher carries out its business operations and is registered.
— Society or ins	stitution, if applicable		
Society or institution	's name (Optional)		Some societies or institutions are linked to a journal in some way but are not
The society or institution responsible for the journal			responsible for publishing it. The publisher can be a separate organisation. If you journal is linked to a society or other type of institution, enter that here.
